AI Disclaimer

1. Introduction

This AI Disclaimer ("Disclaimer") applies to the artificial intelligence services provided by Aivine, including but not limited to astrology readings, horoscope predictions, dream interpretation, and other AI-generated content (text, voice, and visuals). By using Aivine, you acknowledge that AI-generated responses are for entertainment and informational purposes only and should not be considered professional, medical, legal, or financial advice.

2. Nature of AI-Generated Content

- The responses provided by Aivine are generated using artificial intelligence models and may not always be accurate, complete, or up-to-date.

- AI-generated astrology insights, predictions, and analyses are based on probabilistic models and general interpretations, not scientific or deterministic methods.

- Outputs may be presented in the form of text, voice (via text-to-speech), or images (e.g., astrological charts).

- Users should exercise personal judgment and consult professionals when making important decisions.

3. No Professional Advice

- Aivine does not provide medical, psychological, legal, or financial advice.

- AI-generated content should not replace professional consultation.

- Do not rely solely on AI insights for decisions related to health, relationships, career, or investments.

4. AI Limitations and Accuracy

- AI models are based on historical data and algorithms; their outputs may not reflect your real-life conditions or current context.

- AI does not have consciousness or emotional understanding; any perceived empathy or intuition is a simulation.

- In multi-turn conversations, AI may appear consistent or personalized, but its replies are statistical approximations, not real memory or psychological insight.

- Despite our efforts to improve quality, errors or biased interpretations may still occur.

5. User Responsibility

- Users are solely responsible for how they interpret and act upon AI-generated content.

- Aivine shall not be liable for any actions, losses, or consequences resulting from the use of AI-generated content.

6. Ethical and Responsible Use

- Do not use AI-generated content for illegal, harmful, discriminatory, or deceptive purposes.

- Aivine does not endorse misinformation or unethical behavior.

- Misuse of AI services is strictly prohibited.

7. Updates to Disclaimer

- Aivine may update this Disclaimer to reflect legal, operational, or technology changes.

- Continued use after an update constitutes acceptance of the revised Disclaimer.
